when I'm at my new school (Belmont)
yes
When I have my 5 minutes
Learning new things.
I feel happy when I am safe.
Having cuddles
The children
My friends X3
Having a ball and going on the scooters
smiles

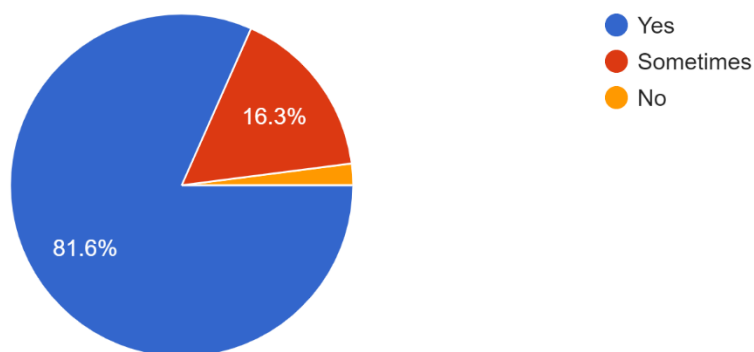

Being happy
When it is calm and quiet
I can make friends. To make my friends happy.
When I have different staff and I move to elephants
Always stay at a safe place instead of school
When I am away from children who are unkind
I feel safe when I am doing my work

I would feel safer if....

Playing with playdough
If nobody was punching
Inside
I'm safe
Having cuddles
It was quieter x3
If children did not climb the walls
Watching a film
I can do anything.
For me to move to a different classroom like elephants
I was where I live (at home)
I feel safer in foxes' class right now
By best friend JS
If a child wasn't mean to me
If the tables were fixed to the floor and not able to move
Kind
